At the BOG you mentioned setting our top five goals, then there is the presentation by City Planner, and we had initially discussed each taking a section of the Community Plan and doing a brief summary for the group. That may be too much to cover in one hour - and I know Devin is going to miss this month's meeting (out of town for a wedding). So we could push the Community Plan summary for a month....or leave it on the agenda just in case someone has done their homework and if there is time at the end.
